Procurement
Expo 2003**

**Business and government
succeeding together**

Get connected to grow your business!

- *Bush Administration plan to outsource many federal jobs could mean more bidding opportunities for small businesses.*
—FederalDaily.com-May 30, 2003
- Meet with federal, state and local government representatives and learn what they want from vendors.
- Network with buyers from large corporations who will be showcasing their contracting opportunities for small businesses.

For more information about the event or exhibitor opportunities, contact the DSBDC/GMAP Program at **302.571.1555**

Procurement Expo 2003
Delaware SBDC Network
